

1. Defends individual rights and the Constitution.
2. Knows a direct Federal Income Tax is harmful and he will not increase other taxes.
3. Supports national sovereignty without being isolationist (no GATT, CAFTA, NAFTA & WTO).
4. Wants a much smaller Federal Government.
5. Will insist that Congress pass a balanced budget.
6. Will shrink the role of the Executive Branch rather than continually trying to increase it.
7. Knows Social Security is in trouble and will fix it.
8. Understands and supports sound money principles.
9. Will pull troops out of Iraq and he won't get us into a deadly war with Iran.
10. Wants limited legal powers for Federal agencies: no illegal wiretaps, no Internet regulation and no drug criminalization.
